INVERAVON SCHOOL PHOTO 1957 - 1958

This great photograph has been sent to us by Lorraine Clark. Fred Grant along with his sister Mary has been instrumental in gathering so many names to go with the faces.

Lorraine's late husband Alister is missing from the photo. Mary Grant remembers that Alister only had one day of absence during his time at Inveravon School, and that day was the day the photo was taken!

Ed Note: If you have any further information please contact us and we will pass on to Fred and Mary.
