

GLENRINNES COMMUNITY CENTRE NEWSLETTER

I'm basking in the Glenrinnnes sunshine, writing outside on the picnic table. The birds are singing all around, the garden is growing at an amazing rate and so are the weeds! "So what", I hear you say. What a difference a month can make - from deepest winter to full summer. I'm sure this year will be one for the record books when we talk about our experiences in the snow.

As we come to the end of our Events Calendar at the Community Centre our AGM takes place on the evening of Friday 25th June. My report will cover all aspects of the events enjoyed by those who attended. I would like to thank the committee members who give up their time and use their many abilities to ensure we provide a varied programme for those in and around our community.

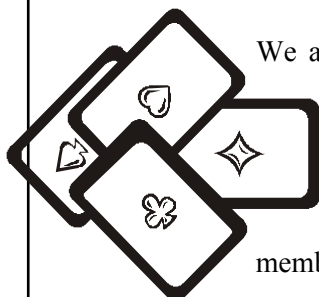

The Community Centre is the result of the hard work and support of many generations of inhabitants from the past and present. Because of their work the Community Centre belongs to the people of Glenrinnnes and so is linked to each family now. We look forward to the work continuing for the next generation. The conclusion of this rambling note is to encourage, remind and enthuse you, the community member, that you have a part to play in **YOUR** community activities. If you don't speak up and tell the Event organisers what you want to see and do at the centre surely it will slowly **DIE**.

Our most recent success was the fund raising **Soup & Sweet** which took place on Sunday 9th May. As it was a lovely day and the expectation of our cooks, brought out a large turnout of many readers of this paper, the THISTLEdown. Thank you for your support which helped raise £618. Do you recognise anyone in our photos taken on the day?
