

# GLENRINNES COMMUNITY CENTRE NEWSLETTER

Where do I start? The weather. Spring this year, so far, has been wonderful. Such a change from last year. Oh! I hope I haven't put a jinx on what is to come.

The Soup & Sweet on May 8<sup>th</sup> was a great day. Such a crowd and we managed to feed you all. Thanks for your support.

The Friends of Ben Rinnes met here on Thursday 12<sup>th</sup> May for their AGM with an interesting talk on wild cats given by Dr David Hetherington, Wildcat Project Manager of the Cairngorms National Park Authority. He showed us many fine views of our wonderful countryside and wildlife in all its variety. A great presentation of our shy Highland Tiger.

By the time this production comes out we will only have our Big Breakfast and Car Boot Sale before our AGM at the end of June, but I'm sure the next committee will have a programme of events to please us all. *Derek Clark.*
