

2012 CALENDAR COMPETITION

Thank you to everyone who took part in this year's Competition. We received 19 wonderful entries.

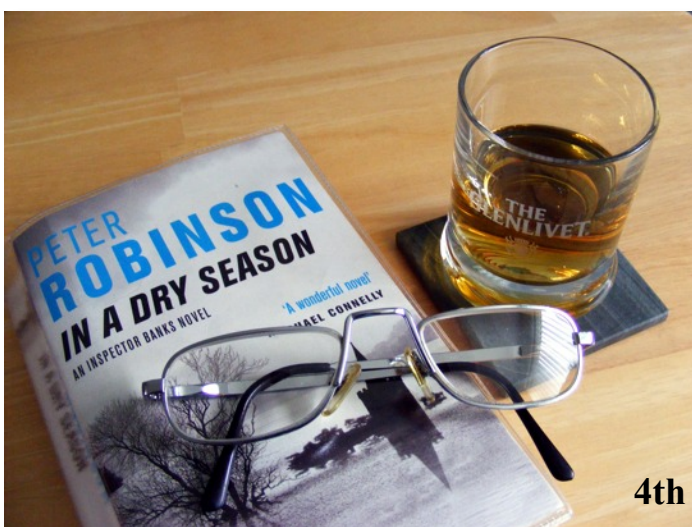

Congratulations to the run-away winner, Richard Doake, with his photo *North Views from Ben Rinnes*, showing the dizzy heights and for those of us unable to get up there what wonderful rock formations the Ben has. His photo adorns our 2012 calendar, which was enclosed in our December issue. Richard, a bottle of malt will be awaiting you on your next visit to the glen.

Second, third, fourth and fifth places were extremely close but *A Dram First!* by John Shewan eventually took second place.

Third place was again Richard Doake with his *The Easiest Way to Travel in Snow*.

Fourth place was *Spirit of Leisure and Pleasure* By Jim Hendry.
